**Declaration of Inventors Pursuant to 37 C.F.R. § 1.131**

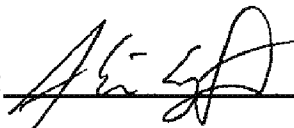

Sir:

I, G. Eric Engstrom, hereby declare that I conceived of the invention described and claimed in US Patent Application 09/817,837, no later than January 31, 2001, and diligently reduced the invention to practice from at least before March 22, 2001 to March 26, 2001, the filing date of US Patent Application 09/817,837 (the parent application of which the present application is a divisional), which is the constructive reduction to practice date of the invention.

A Showing of Facts and Exhibits 1-4 in support of this Declaration are provided herewith and expressly made a part of this Declaration.

**I further declare that all statements made herein of my own individual knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-identified patent application or any patent issued thereon.**

Executed by and on the date as set forth below:
